# About Orbix

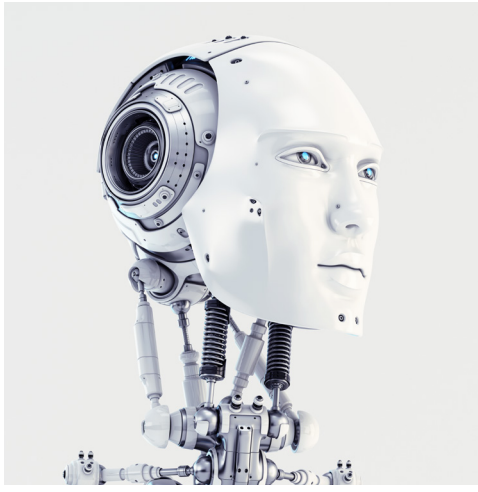

We are dynamic, smart and progressive. We display an entrepreneurial mindset to proactively challenge market conventions, creating a better way of building growth for greater good.

All Orbix craft products and services that strive for excellence and meet the highest ethical, social and environmental standards. They all champion the Group's mission

At Orbix, we take a long-term view in everything we do, because we believe that sustainable success requires uncompromising commitment.

## WE BRING INSIGHT TO LIGHT

by challenging traditional thinking and ways of operating and bringing new perspectives to the toughest problems.

## Our Mission

Is to deliver long-term, sustainable value wherever we go, laying the foundations for a new era of intelligent, connected living.

## Our Expertise

Our experts bring industry and functional expertise and a range of perspectives that spark change. We work in a collaborative model, fueled by the goal of helping our clients thrive and enabling them to make the world a better place.

## Our Values

### Vibrant

We are creative, operating with style, meaning and purpose, enhancing daily life, and investing in iconic projects where everyone can thrive.

### Committed

With unwavering determination, we deliver on our promises, adopting the highest standards of professionalism and always achieving exceptional results.

### Impactful

We make a positive impact on the people and places we interact with, driving lasting economic and social impact to advance societies.

### Sustainable

We are redefining the way we live, work and play through the delivery of long-term growth and economic resilience. We drive sustainability by managing all resources intelligently, to ensure a brighter future.

**WE GROW BY  
GROWING OTHERS**

Enabling our clients, colleagues, and the broader community to build success and achieve their full potential.

# WE ACCELERATE SUSTAINABLE AND INCLUSIVE GROWTH

## Our Vision

We create iconic products and solutions and experiences for living, leisure and business that continuously surpass expectations for our customers.

Through accelerated strategic collaboration and innovation we drive opportunities and embrace new technologies that set the future benchmark for intelligent, connected living.

DRESSY KITCHY

[dressykitchy.com](https://dressykitchy.com)

Dressy Kitchy is the story of a manufacturing endeavour where the key players remain the artisans, with their manual skills and know-how, who are able to shape premium materials into forms that stand out for their quality and beauty

DK designs and manufactures custom-made Dressing Room and kitchens, furniture and lifestyle products for discerning clients around the world.

**We unite world-leading design and craftsmanship.**

We share a deeply held respect for traditional artisanal techniques and fine natural materials, paired with a passion for excellence in craft and design

We live creativity like never before, crafting your desires and ensuring a valuable, beautiful and well-made solution.

DRESSY KITCHY
